SAVE THE DATE   for more information go to   www.aspic.pt/conference2013
ASPIC, the Portuguese Association for Cancer Research, was created in 2013 and promotes cancer research in all its aspects and in public benefit. The association endorses excellence, disseminates results, analyzes and proposes solutions for relevant questions for cancer research and cancer investigators in Portugal and at the international level taking advantage of its affiliation with the European partner – EACR.

Membership benefits include:
- Automatic affiliation to the European Association for Cancer Research
- Reduced registration rates at EACR and ECCO Congresses
- Access to scholarships and awards
- Reduced registration fees for graduate and PhD students at meetings organized by ASPIC
- Contacts and opportunities for collaborative research
- Reduced rate subscriptions to the European Journal of Cancer

Membership Fees:
- Active Member
  40€/year
  120€/4 years
- Post-doc students
  25€/year
- Master or PhD students
  20€/year
